

WELCOME TO SODIRA

At SODIRA we offer a wide range of decorative aggregates from our stone quarries and gravel pits. Our materials are extracted and processed to the strictest quality standards, in an environmentally sustainable way.

SODIRA's decorative aggregates are suitable for any kind of outdoor space, which allows for the creation of a unique and low-maintenance look while avoiding the unnecessary consumption of natural resources. These aggregates can be used in a wide variety of spaces, such as gardens, roofs, walkways or gabion walls.
